

Preface

The present volume has grown out of the conference “Northwestern Russian and Belarusian Dialects in the Context of Dialectology, Areal Linguistics and Typology,” which took place on 24–25 November 2011 and was hosted and funded by the Norwegian University Centre in St Petersburg. We are thankful to Tamara Lönngren and her assistants Polina Tsikoreva and Yulia Kadyrleeva, as well as to Bjarne Skov and the Norwegian University Centre, for providing excellent conditions and infrastructure for the event.

We thank series editor Ingunn Lunde (University of Bergen) for including this volume in *Slavica Bergensia* and Kyrill Dissanayake for his excellent native English editing.

Special thanks go to our reviewers (both external and internal), who have contributed substantially to the quality of the present volume and without whose help it would never have appeared: Cori Andersen (University of Chicago), Jan Ivar Bjørnflaten (University of Oslo), Andriy Danylenko (Pace University), Igor’ Isaev (Institute of Russian Language, Russian Academy of Sciences), Mirosław Jankowiak (Institute of Slavic Studies, Polish Academy of Sciences), Alexei Kassian (Institute of Linguistics, Russian Academy of Sciences), Jelena Konickaja (University of Vilnius), Kirill Kozhanov (Institute of Slavic Studies, Russian Academy of Sciences), Elena Tarasova (St Petersburg State University), Vladimir Plungian (Institute of Linguistics, Russian Academy of Sciences), Sofia Požarickaja (Moscow State University), Andrey Shluinsky (Institute of Linguistics, Russian Academy of Sciences), Dieter Stern (University of Ghent), Benedikt Szmrecsanyi (University of Leuven), Sergejus Temčinas (Institute of Lithuanian Language, Vilnius), Alexandra Ter-Avanesoava (Institute of Russian Language, Russian Academy of Sciences), Vittorio Tomelleri (University of Macerata).

Our thanks extend to the University of Bergen, Department of Linguistic, Literary and Aesthetic Studies, for providing financial and other kinds of support for the preparation of this volume.

This volume is jointly funded by the Department of Linguistic, Literary and Aesthetic Studies and the Department of Foreign Languages at the University of Bergen, as well as by the University of Mainz (Forschungsunterstützung “Pro Geistes- und Sozialwissenschaften,” 2012). Additional funding has been provided by the Zukunftskolleg, University of Konstanz.

Last but not least, we cordially thank the contributors for making this volume possible and for the insights their writings provide.
